

FCC:

It is of great concern to me and my family that you are considering to replace KLOVE by LPFM.

KLOVE has been a most uplifting and encouraging station for me and my family. It serves my local community for those who wish to listen to a family station. There isn't many family ones out there. Families do not have to worry about what is going to be said or played on the station. Many who listen to it, enjoy the music and programs very much. The Christian music played helps us and our friends during our daily lives....whether we are having a great day or a difficult one, the music continues to encourage us.

We hope your agency reconsiders the change.

We want KLOVE to continue on!

Thanks for listening and God bless!
